

# SEAPOST<sup>®</sup> SEATING

## Seapost<sup>®</sup> Sierra Pilot With Floor Slide Ergonomic Pilot Seating

The SeaPost Sierra Pilot Seat offers complete adjustability, ergonomic support, and safety.

### **BOTTOMLESS SEAT COMFORT**

The integral serpentine platform isolates shock to provide shock isolation over 4Gs of impact for continuous ride comfort. Sierra seats are available in high or low back seat styles. 9" (229 mm) swivel allows operator to move freely in the task area.

### **6" (152 MM) FORE AND AFT ADJUSTMENT**

Simple automotive-type controls help move seat in 1/2" (13 mm) increments for correct placement in task area.

### **VARIABLE SEAT HEIGHT**

Variable seat height gives the operator 6" (152 mm) of height adjust.

### **FRONT CONTROL FOR FLOOR SLIDE**

Our new durable design floor slide helps the operator to access to his work area easily.

### **FIVE-STEP MARINE-GRADE FINISH**

Metal components are pre-treated, E-coated and completed with a TGIC polyester powder coat finish for protection against corrosion in salt water environments. The H.O. Bostrom multi-finish system has passed an independent salt spray test for over 1000 hours.
